Mr. Gerald Hawkins,
Assistant Director of Student Activities
N. C. State College
Raleigh, North Carolina

Dear Gerald:

Under separate cover you will receive thirteen tapes. I am sorry these got held up to you, but the shipment as it came to us from the Center for the Study of Democratic Institutions was incomplete. I hesitated to turn the tapes loose until I knew exactly where we stood with the Center.

The tapes I am sending you are the following numbers: 23, 37, 55, 63, 64, 68, 70, 72, 86, 87, 88, 91, & 96. We are planning to begin the series here at the start of the next semester. I will get either Kent Evans or Rich Trenbath, the program director of WUNC, to put a message on the teletype to George Hall for relay to you as to the exact time and starting date for these programs.

Let me know when you are ready for the next thirteen.

Cordially,

Wesley H. Wallace
Chairman
